JAZ/ JAZ MOTION

The Jaz and Jaz Motion are incredibly supportive, petite sex pillows. Explore your favorite positions with greater ease by slipping the sex wedge underneath the lower back. Couples enjoy longer doggy-style sessions with less joint pressure. Both the Jaz and Jaz Motion elevate the hips, offering better access to your erogenous zones, effortless oral, and more stimulating missionary positions. The Jaz Motion has a flat side and a curved side, so you can rock your hips on it. The ideal travel companion, both the Jaz and Jaz Motion fit well in an overnight case to make vacation sex more fun and exciting.

HIPSTER

The Hipster sex pillow is a sculpted, contoured wedge that cradles your body to provide support and lift. Use this sex pillow on a memory foam mattress to gain more traction, thrusting power, and deeper penetration. Ideal for missionary, doggy, oral, and cowgirl positions, the Hipster gives you just the right amount of lift and access by boosting your body and booty upward. The luxurious micro velvet cover feels terrific against bare skin and is easily removed for machine washing.

WHIRL

The Whirl supports couples in a variety of sex positions with hidden restraint options. It provides a diverse range of motion such as rocking and pivoting movements—to put your partner in a prime position for precise stimulation and orgasmic release. The Whirl also serves as a discrete restraint accessory—easily attach your favorite sashes, wrist cuffs, or ankle cuffs to hidden D-rings. The soft micro velvet cover is removable and machine washable. Choose from a variety of colors that accent your decor and cleverly blend bondage into your bedroom.

SEX TOY MOUNTS

HUMPHREY

Soft yet sturdy and easy to straddle, the Humphrey gives an improved, adult spin to the pillow humping of days past with its two secure toy pockets. The larger sex toy pocket is ideal for rideable toys but can also hold wand-style vibrators. A smaller toy pouch, perfectly sized for bullet vibes, rests just above the other pocket so you can enjoy dual stimulation. The discreetly-shaped Humphrey fits in King-size pillowcases, meaning no one will be the wiser when the mount is not in use, and its soft cover is removable and machine washable.

PULSE

Ergonomically designed, the Pulse features soft lines that contour and move with the body to recreate the natural rocking sensation of sex. With a low height and narrow width, the Pulse is easily straddled in a cowgirl position. Solo or with a partner, it allows for hands-free enjoyment of vibrators and dildos simultaneously by featuring two separate pockets - one to house small vibrators to achieve clitoral stimulation and another to tuck a dildo into. You can also turn the Shape over for a gently sloped lift hip or to support your head for oral sessions.

AXIS

The Axis Toy Mount is crafted to offer you complete control and freedom while using the Hitachi Magic Wand massager. With no assembly required, the Axis is constructed so that you can experience the freedom to explore by yourself or even with a partner. To use, simply push your Magic Wand into the open-ended slot, leaving its head out, and pull the cord through the other end to plug in. To increase the speed and intensity of your Magic Wand, there's even a window to access the control panel. This versatile Shape adds great support and works ideally while laying down with your hips curved over the toy, or while standing at the side of the bed. The Axis is covered in a soft, machine-washable micro velvet cover.

TULA

Designed for straddling and putting yourself in comfortable positions while masturbating, the Tula features a multi-slot design that securely holds onto dildos, vibes, and large cordless massage wands. The Tula can be used in a variety of ways; the top pocket provides flange support and lets you customize the depth, angle, and length of your sex toy. The side pocket encases a variety of sex toys for standing, kneeling, or sitting positions. A perfect sex cushion for same-sex couples, the Tula is crafted from super-dense foam to keep the body supported and lifted during foreplay or oral sex. Ergonomically designed to fit any body shape and size, the Tula has a lower height than our BonBon and offers more accessibility for those with limited flexibility.

WING

The Wing is a dense body-length toy mount, ideal for straddling and masturbation that works well with dildos and vibrators. When straddling the Wing during solo play, it creates the feeling that you are with your partner.

For couples, your partner will have comfortable access for double penetration as you straddle the wing and lean over, with your torso and hips supported. Or place it under your partner's knees so he can thrust upwards effortlessly. It has two places to house vibes, and you can put a toy inside the second pocket to vibrate the whole toy mount. The Wing is covered in a soft, machine-washable micro velvet cover.

SEX FURNITURE

CELLO CHAISE

The human body is a work of art, and it deserves a pleasure platform like the Cello Chaise, just as exquisite as the forms that create passion atop it. With elegant curves that perfectly support your own while presenting innumerable position possibilities to explore, this luxe chaise brings intimacy to new heights.

What sets it apart?

Small and Mighty. The most compact sex chaise in the Liberator line, the Cello has all of the thrills with less of the footprint of its larger counterparts. It's the only Chaise available in our luxe velvet in pop colors and can be matched perfectly with our decor Shapes and Sex Toy Mounts.

ESSE CHAISE

High in both style and positioning possibilities, the Esse Chaise boasts a seductive form that begs couples to explore new depths to their passion. Master the art of the Kama Sutra or discover exciting new positions of your own — when you make love on the Esse Chaise, erotic creativity is bound to follow.

What sets it apart?

A Modern Spin on the Original. The Chaise line features a longer, lower, and narrower profile. Comes with a headrest for added comfort and height.

ESSE CHAISE II

Combining the highest levels of comfort, quality, and style, the Esse Lounger II features high and low curves that make sexual positions smooth and effortless by increasing comfort and mobility. The high-performance vegan leather is soft to the touch and feels great on the naked skin. The removable headrest adds an extra 5-inches of height for even more comfort. The mini-scoop can be placed in the curve for a flat surface or can be used as an additional positioning Shape.

The discreet design doubles as a contemporary lounge chair for napping, reading, playing video games or watching television.

ESSE LOUNGER

The Esse Lounger cradles your head, neck, and back in nearly any position, while the added height and ergonomic slopes provide deep penetration, comfy support, and better access. The headrest works at either end of the Esse and is useful for raising up knees or adding 5” of height for standing and bending-over positions. The Mini-Scoop will eliminate the center dip, making the Esse flatter; plus, it works independently away from the Esse, providing lift and motion to lovemaking on a bed. By day, this lounger blends into your bedroom with decor colors, and it is supremely comfortable for reading or watching TV. Separate covers are available to stay in step with your tastes.

EQUUS WAVE

Crafted from high-density foam and wrapped with a luxurious velvet cover, the Equus Wave transforms into an unlimited assortment of alluring angles, slopes, curves, and elevations. Placed discreetly at the foot of your bed, no one would guess that this curvaceous 5-in-1 positioning platform provides a variety of positions that enhance sexual performance and play. Consisting of two lightweight Shapes, couples have the option of using every angle and contour for maximum versatility. The Equus Wave can be used as a bench, providing you with the perfect height for riding and straddling positions while maximizing thrusting power. The two distinctive Shapes each have beneficial, curved slopes that are equipped for prolonged comfort during doggy positions and offer satisfying access for deeper penetration. Plus, their innovative design helps lift couples up during oral sex by taking the strain off your joints and neck.
